DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

The Zepp farm is located on the south side of Maryland Route 86, in a setting of fields and woods. The complex contains a house, barn, and outbuildings.

The house faces north to the road, and is 2 1/2 stories high, with a gable roof aligned parallel to the road. It is sheathed with yellow siding, and is three bays wide. A one-story porch is located on its north facade.

To the east of the house are small sheds and a very interesting barn. The barn is built into a bank which slopes downward on the north side, and has a stone foundation. It has an overhang on its north side, and on the east end, this overhang is at a different height, leaving a larger opening below. It is painted red, with white louvred ventilators, and the doorway opening on its north side is framed with a painted white round arch around it, in typical Pennsylvania style.

This is probably the Jno. Harpst property shown on the 1862 Martenet atlas of Carroll County and of Wm. Zepp on the 1877 Lake, Griffing, and Stevenson atlas of the county.
